1017 - start

1022 - sanctuary

1022 - coordinates

- um...um... outside um... I...um... tied down... then is a pushing mass  
um weighty, weighty.

✓ look around

- smelly, moving in order - circular area outside, breezy windy  
feel wind - movement of smelly sideways - has order -  
feel weight anchoring, tied down, more feeling order -  
smelly massive

✓ massive

- massive stry - square on top - large opening - entrance

✓ go inside

- people, people people talking to each other, sitting standing talking  
to each other, a displaying a display, people  
structure inside modern, not bad working condition  
and struct lighting is very good,

✓ people - tell me about

- OK business.....

steps return to sanct -

crowd -

- ✓ describe area - wind in area, hard structure massive big square  
hard rock, hard / structure is bigger square -  
people, there's an area that is well taken care of  
one area that is very well taken care of

✓ describe

- circular area, men work around this, talking planning,  
making sure all OK, ongoing process here, an occurrence  
always occurring, working day to day, not long rainy day  
soon sun right now.

✓ work describe

- OK work is people moving, moving people, people's needs,  
centered around meeting people's needs, meeting their needs  
with people, large scope, I'm sorry - planning making  
sure needs are met men sit in small circle, look down,  
reading big, big book down reading, big, big piece of paper.  
study work at home

people who work sometimes physical act, there some men @  
~~are~~ do physical act, but they're not them. There you make  
 sure that they do something

not so much concerned with how they do a job - ~~no~~ counting, no  
 care for people

✓ people's needs - supply, making sure in place will correct supplies  
 men doing all the same things,

✓ needs - raw data

- ~~at~~ what men will wear & carry on them, something on backs,  
 sit around table plan later - they know men out there are  
 placed

✓ placed?

- meaning not near - elsewhere -

- open - open - open physical act

✓ surroundings - /

- by flat low, trees maybe in some areas  
 practicing landings,

# 8 177 642

1042

- he, jumping, jumping, hot hot, riding up, jumping up  
 men, oh my, working together, very much depending on each other  
 falling, movement, men that work together daily, this area must  
 move depend on each other the before. outside

✓ surroundings

- smaller area < green zone outside, but

1044: > come back.
